Courtney Canova Bio

Courtney Canova was encouraged to draw and paint as a child. Over the years, working as a mural artist, a beaux arts artist, graphic designer and more recently as a photographer, he has drawn upon skills learned in one medium to enhance the others.

Mr. Canova is also an ardent student of history and particularly Florida history. His DeLand murals reflect his passion for telling the story of DeLand's past through the medium of paint.

The raffle drawing will be held during the **Equifest 2008 Festival** at the *Lake Helen Equestrian Center* on Saturday, April 12 at 3:30 pm in the Main Arena. Raffle ticket holders do not have to be present to win.
